

Donna Kelley

Donna's family has been on Treasure Island since 1955, when her parents purchased a lot on the west side of the Island across from the Marina. She grew up in Tacoma and her family began their Treasure Island adventure by camping, then building a small cabin and then eventually remodeling the cabin into a more permanent home. When Donna retired in 2009 she became a full-time resident of this wonderful Island! As a school administrator Donna spent her career working in the Puget Sound area, Tucson, Arizona, and finally spent six years as the elementary principal at the American International School in Budapest, Hungary. This allowed her the opportunity to travel worldwide, but she always saw coming to Treasure Island as being the best!

In her free time Donna enjoys traveling, golfing, being on the water, and spending time with her son, daughter-in-law, and grandson, who live in Tacoma. She has been instrumental in forming the Entertainment Committee to plan Island wide activities for Treasure Island so residents could enjoy getting together. In addition, as part of the Grapeview Community Association, she is actively involved in and enjoys GCA events.

As a new Board member, Donna has taken on the position of secretary of the Treasure Island Board of Directors,
