

Sarah Voss

Sarah Voss, her husband Jim and new addition Sadie (a German shorthair puppy), live full time on Treasure Island since March of 2020. They live at the “Stop” sign with the beautiful rhododendron bushes that came with the home.

Both were raised in the Yakima Valley, Sarah on an apple ranch in Cowiche. After marriage they raised their family in Grays Harbor. That is where they became familiar with the area and Bubba’s Burgers in Allyn on one of their adventure drives. Jim used to flyfish Case Inlet and Rocky Bay during the 80’s & 90’s. Sarah owned a roadster Miata and cruised the highways. They moved to Ellensburg in 2007 for jobs and family, where they retired. They then bought on TI and moved just before the pandemic shut down, finding their dream view of the water and a community of great neighbors.

Sarah is a retired public works admin for City of Aberdeen, HDR Engineering and City of Ellensburg. Jim is a retired Licensed Dispensing Optician. They have 2 grown children, a daughter in Issaquah and a son in Livingston, Mt., and one granddaughter in Issaquah.

Sarah’s interests are quilting, reading, walking and family time. She is a two-time Breast Cancer warrior. She and Jim enjoy car rides to all corners of Washington.
